THE SWORD OF TRUTH

CUTTING CORDS OF DARKNESS

CHAPTER – I

Do you ever feel

—even when nothing visibly stands in your way? Like an invisible chain tying you to past hurts, toxic relationships, or self-sabotaging thoughts? That heavy, stuck feeling is no coincidence. It's a sign of energetic cords—attachments that drain your power and dim your light.

But you don't have to carry that weight any longer.

Archangel Michael, the mighty warrior of light, offers you his Sword of Truth. Not as a weapon of harm—but as a tool of liberation. This is your moment to cut what no longer serves you and step into the freedom you deserve.

The Cord-Cutting Ritual: Reclaim Your Energy in 7 Simple Steps

When: Tonight, before sleep. The quiet hours magnify your power.
What You'll Need:

- A blue candle (truth & protection)
- A bowl of water with a pinch of salt (purification)
- A black string or ribbon (represents the cords)
- Scissors

The Ritual – Step by Step:

1. Prepare Your Space Light the blue candle. Feel its flame as a beacon of divine truth. Place the bowl of salt water and the black string before you.

2. Call In Archangel MichaelClose your eyes. Take three deep breaths. Say aloud with intention "Archangel Michael, I call on you now. Stand with me. Lend me your Sword of Truth to cut every cord that binds my heart, my energy, and my destiny."

3. Name the Cord Hold the black string. Identify what it represents: a person, a fear, a memory. Feel its weight. Name it silently or aloud.

4. Purify & Release Dip the string into the salt water. As you do, affirm: “I cleanse this attachment. I release its hold on me.”

5. Cut the Cord Take the scissors. Cut the string firmly in half. Speak with conviction: “By the sacred power of Archangel Michael, I sever this cord completely. I am free. My energy returns to me now.”

6. Burn Away the RemainsCarefully burn the cut ends in the candle flame. Watch the cord vanish. Visualize golden light filling the space where it once was.

7. Seal Your Freedom Extinguish the candle. Drink the salt water, feeling its cleansing energy flow through you. Whisper: “I am whole. I am free. It is done.”

You have taken back your power.
Walk forward now, unburdened. The chains are broken. Your path is clear.

THE SHIELD OF LIGHT

FAMILY PROTECTION AND HARMONY

CHAPTER – II

Does your home sometimes

feel like a battlefield instead of a sanctuary? Are you tired of the same arguments, the lingering tension, or the feeling that outside stress is invading your private space?

You are the guardian of your home. And Archangel Michael is now entrusting you with his Shield of Light—a divine force field to protect your family's energy, heal old wounds, and restore harmony.

The Problem: Unseen Forces in Your Home

Without this protection, you might recognize these struggles:

- Constant Conflict: Small disagreements blow up. Resentment builds. You feel disconnected from those you love most.
- Generational Patterns: The same negative cycles—anxiety, financial struggle, broken communication—keep repeating.
- Spiritual Drain: Your home feels heavy, making prayer or quiet moments feel impossible.

This isn't just "family drama." It's energy. And it's time to reclaim your space.

The Ritual: Activate Your Family's Shield of Light

4. Bless Your Family Now, picture each family member in your mind's eye—see them wrapped in a personal, soft blue light within the larger golden dome. Silently send them this message: "You are safe. You are loved. You are protected."

5. Seal the Shield & Give Thanks Return to your candle. Place your hands over your heart and feel the new, calm energy. Say: "Thank you, Archangel Michael. Our home is now a sacred sanctuary, protected by divine light. It is done."

Let the candle burn safely for a while as the energy settles.
